INFORMATION FOR BOARDERS

A CURRENT VACCINATION CERTIFICATE covering Parvovirus, Leptospirosis, Hepatitis and Distemper **MUST BE PRODUCED** when booking in.

We strongly recommend inoculation against Kennel Cough when boarding your dog between April and October. (Due to this being a 'live' vaccine, this must be inoculated at least 3 weeks before coming in.)

Kennel Opening Hours:

Arrivals & Departures –

Monday to Saturday

9.00am – 1.00pm

&

2.00pm – 3.00pm

Sundays & Bank Holidays –

CLOSED

CLOSED FOR LUNCH
1.00pm – 2.00pm

.....
SHARING is only permitted for dogs who normally live together and have no record of aggression against each other.
.....

NO DOG WITH A CONTAGIOUS DISEASE OR WITHOUT A CURRENT VACCINATION CERTIFICATE WILL BE ALLOWED TO ENTER THE BOARDING KENNELS.

Kennel Cough is caused by a virulent airborne virus which can be contracted anywhere and takes 7-10 days to incubate. Its name suggests infection is only contracted in kennels, but this is **not** the case. Infection becoming apparent within 6 days of entry **MUST** be deemed to have contracted prior to entry and will not be covered by insurance.

In case of illness your own Vet will be contacted, or ours if they are unobtainable.

We like to care for your dog as you would yourself. When booking in please be sure to advise us of your dogs' diet and frequency of meals (special diets can be arranged, but veterinary prescribed diets would need to be supplied). We can administer current medications (for non-contagious conditions) where this can be done during normal daytime hours and, if provided, can give your dog his/her favourite treats.

ALL our kennels are provided with hygienic, fresh bedding, but we will be happy to accept (at your own risk) your dogs favourite toy or blanket if you think this would help them feel more 'at home' with us.

Our Pet shop offers a wide range of foods and accessories for all your pets. We are often cheaper than the National and Pet Supermarkets and other Pet Shops, we also offer top quality service.

There is always someone here who will happily offer you assistance and the benefit of their considerable experience with dietary and other problems.

THANK YOU for selecting DOVART – with the help of our qualified staff we hope to make your dogs stay with us enjoyable.

Please feel free to seek any further information that you may require – we are here to help you.
